President's Corner

Nine of us attended the annual MILVETS luncheon at Vila Milano—see the photo in Nancy's article below. It was nice to be among so many veterans and veteran supporters. The Fort Hayes JROTC cadets escorted us to our table and the Powell Community Band provided music for the National Anthem and the US Military Branch Medley. Our keynote speaker was BG Fred Hockett Jr., Deputy Commanding General, Support, USAR-EC. I was especially interested in General Hockett's discussion of the changes the Army has made in the recruiting process and the success they have had in meeting their recruiting goals. He stated the Army expects to meet their annual goal this year in the third quarter, a feat they have not accomplished in several decades!

Marston and I have finished awarding our ROTC scholarships to deserving cadets, and she has also finished awarding medals and certificates to the JROTC units. As you can imagine, handing out \$6,000 has depleted our checking account, so if you can, please contribute to the Foundation to replenish our account. The scholarships do a lot of good to so many deserving cadets. To maximize the benefit to you, consider making a contribution by withdrawing from your IRA—a direct charitable contribution counts toward your IRA's Minimum Required Distribution (MRD) but you don't have to pay income tax on the withdrawal.

As usual, I ask you to check the MOAA National website for items in the legislative hopper that support our enlisted and all other active duty and veterans. Now is a good time to keep our legislators focused by contacting them via the Advocacy in Action portal at the site.

Thank you for your time. As always, if you have any comments or suggestions, please let me know.

Alex

Legislative News

MOAA continues to advocate for active duty, reserve, and retired service members and their dependents. MOAA's priorities in the new 119th Congress include:

Combat-injured veterans lose a dollar of earned DoD retirement pay for every dollar of VA disability compensation. The **Major Richard Star Act** would end that unjust financial offset. [Use this link](#) to urge your legislators to support the Star Act.

A decade-old law cut the Basic Allowance for Housing (BAH) for all service members who live off base. The **BAH Restoration Act** (H.R. 1956) would reverse that cut so that BAH will again cover 100% of housing-related expenses. Ask your legislators to support BAH restoration by clicking [this link](#).

The caregivers who support aging and disabled veterans often sacrifice their own careers, financial stability, and personal well-being to fulfill their vital role. The **Veteran Caregiver Reeducation, Reemployment, and Retirement Act** would provide assistance specifically tailored for veteran caregivers. This legislation is critical to ensuring caregivers receive the recognition, support, and financial security they have

earned through their service to veterans. Urge your Representative to support caregivers using [this link](#).

Writing takes about two minutes. Either click one of the links above, or from the "[Active Legislative Campaigns](#)" page, click on the "Write" button to the right of the title and description of each bill. Fill out your personal information and then click the "Submit" button at the bottom of the page. *(You can edit MOAA's recommended wording if you want, but most legislators count their "issue mail" instead of reading it.—Ed.)*

You can find the bills MOAA supports on the "MOAA-Supported Legislation" page here: [MOAA Action Center](#) This is a great list if you're interested in learning more about the bills. You can click on the name of the bill and learn more about it.

When you fill out the "Act now!" information, the last item asks you to indicate your MOAA Chapter. When you see the "SELECT" prompt, scroll down or type "**OH02**" to get the Central Ohio Chapter.

Adopt A Serviceperson

From a Chaplain in Egypt comes this report: *Chocolate is always a big hit. We do not have access to chocolate from home and when it arrives, everyone seems to be a bit happier. Interestingly, crayons and colored pencils are an item we cannot get here, and a number of Soldiers have been asking for either, as they use coloring to mitigate stress and as an outlet for creativity. Thank you for your amazing support to our team.*

From Syria, a Chaplain reports: *Sunscreen is needed here. The troops like Pringles and sudoku books as well as dried fruit. Thanks for all you do.*

I have nine contacts that are in Harm's Way. The units range from 40 to 1000 military personnel. Thank you for your support.

I sent a special THANK YOU to Fouse Elementary School in Westerville. The students made over 70 pieces of art (like that shown at left) and wrote notes to our deployed military. Starting this month, I'll put 10 notes and pieces of art in each box that I send out. Those troops will love them!

Central Ohio Chapter Board

The Chapter Board needs new people with fresh views. Two big opportunities to learn by doing are:

- **National Legislative Affairs:** Our National Legislative Affairs board member keeps track of current MOAA legislative priorities and provides monthly updates through the CONNECT newsletter.
- **Outreach:** Your Foundation depends upon contributions to achieve its mission. The Outreach Director will oversee our fundraising efforts and will also serve as a member of the Foundation Board of Directors.
